ABOUT ME

I have a way with words and I identify myself by my leadership and a taste for teamwork. I have been developing software for my own pleasure since I was 15 years old. I am very interested in continuing learning and give the best of myself.

EDUCATION

Universidad de Sonora - Software Engineer
Stanford Online - Machine Learning
DOU University - Digital OnUs

IT DEPARTMENT MANAGER
(SUQIÉE)

Food Industry, Sonora, México.
2021

Implement metrics, standards and policies, reports and cost control, Odoo ERP implementation, support channels and maintenance by suppliers.

DEVOPS ENGINEER
(DIGITALONUS)

IT Services, Guadalajara, México.
2021 (Actual)

Work containerizing and orchestrate containers with Docker, Kubernetes, and Helm, constantly with Azure Cloud, deploy infrastructure with Terraform, CI/CD With Github Actions, monitoring with Prometheus and Grafana, etc.

ADDITIONAL SKILLS

MUSIC DIRECTOR

Since 2012 I have played in different bars, weddings, cultural events, etc. But since 2018 I started to implement and direct musical projects in bars, such as in the Papá Oso Bar, El Muelle Mariscos Bar, etc.

I consider this experience very important because in addition to reinforcing my ability to work as a team, it gave me more experience as a leader and sales work.

Leadership ▪ Teamwork ▪ Communication ▪ Taste for learning ▪ Selling skills ▪ Event logistic
